COPA DE ORO, 1953 . . . dedicated to every faculty member and student
 who has been associated with South Pasadena High School.

In deciding on a theme and in putting together this annual, we have at-
 tempted to depict the numerous and colorful events which will be held as
 memories in the years ahead when we, the Class of 1953, take our places as
 alumni.

On opening the book and seeing the typical figure drawings, complimented
 by the vivid backgrounds of the division pages, immediately comes to mind
 the many and varied activities of our high school days.

But as we enter into adult life, it is the motto, "Honest endeavor merits
 success," which we should carry with us . . . always a golden reminder.

ADMINISTRATORS

To have a successful year, an organization must be guided by capable leaders. South Pasadena High School is fortunate to have such fine administrators and counselors as Dr. Elmer J. Erickson, principal; Mr. Laurence Harper, superintendent; Mr. James R. Carpenter, vice-principal; Miss Harriet Hardy, girls' counselor; and Mr. George C. Jordan, boys' counselor. Under their experienced leadership, South Pasadena can stand among the nation's most outstanding institutions.

Besides serving as girls' counselor, Miss Hardy has given much time as adviser to the Girls' League, while Mr. Carpenter was adviser for the Boys' League. Miss Margaret Lauer, head of the English department, counseled the junior girls. Mr. Jordan, replacing Mr. Bernard Warner, became head boys' counselor at the second semester. Mr. Robert Dahlberg, Varsity football coach and counselor, after a year and a half of service, left the school in January to enter private business.

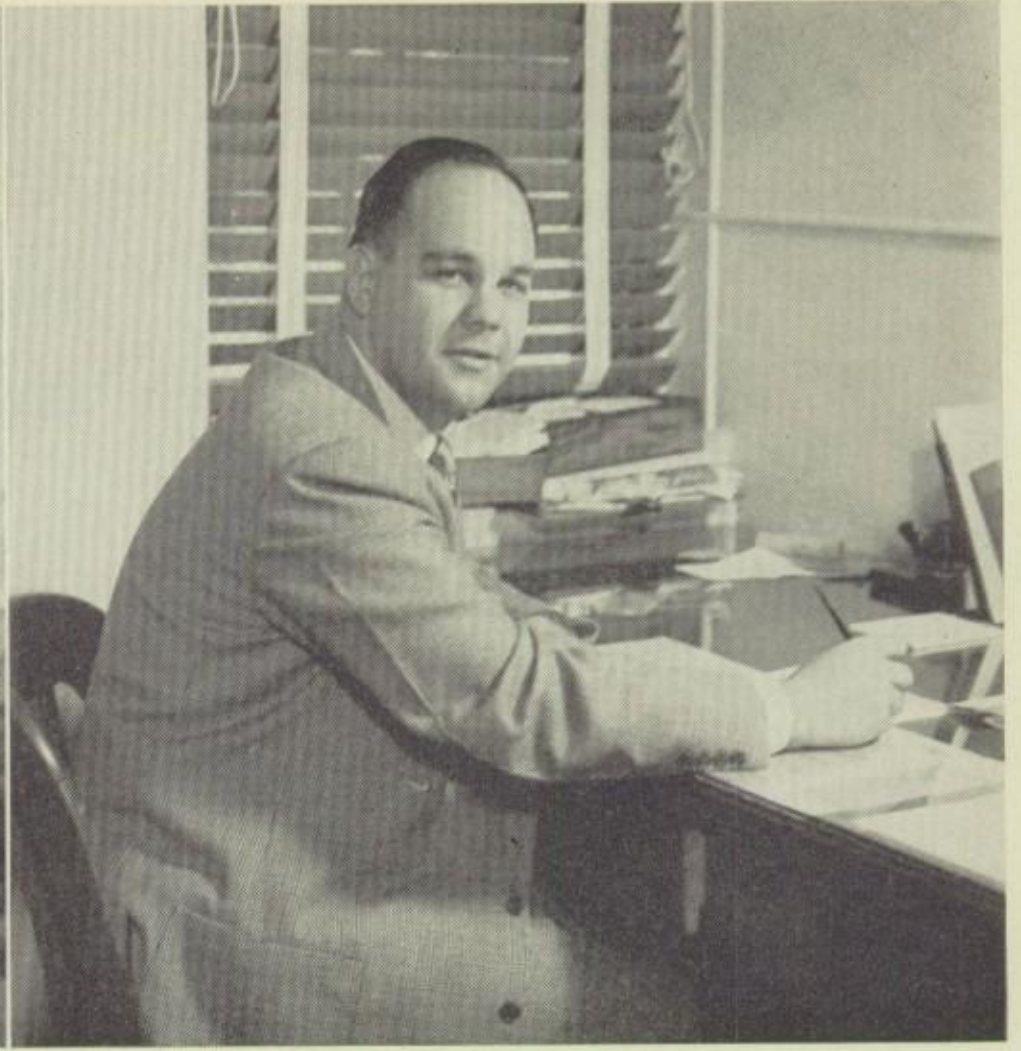

A main project for the counselors was the administering of the Iowa testing program to all students.

FACULTY

*For Louis
Albert Fletcher
Red Mill*

Among the familiar faces of the faculty were seen many new ones as the school year of 1952-53 began. These additions and replacements were cordially welcomed by both the student body and the faculty.

Mr. Paul Huntington, who was absent from the faculty last year while traveling in Hawaii, and resting has returned this year to resume his position as U. S. History teacher. Another addition to the faculty, who is taking the place of Mr. Arnold Fletcher, now teaching at SC, is Miss Marion Warren, who came to South Pasadena from the junior high.

In the language department, Mrs. Betty Lou Brecht, Spanish teacher, filled the position vacated by the retirement in her thirty-first year of teaching of Miss Mary Nash, while Mrs. Marie Ohlsen took over Miss Dorothy Johnson's place as Latin and English teacher. Mrs. Florence Oliver, who had replaced Mrs. Beatrice Ahrens, left at the semester, and Mr. Dean Tack completed the year as English teacher. Mrs. Olivia Muntean, who is combining typing with English, has succeeded Mrs. Lucille Linn.

Directing the band and orchestra both at SPSHS and the junior high is Mr. James T. Moore, who stepped in for Mr. Max Cramer upon his departure at the semester. Out on the gym field, Mr. Charles A. Hannah, the new Bee coach, filled the position of Mr. Garland Lewis, who is now coaching at the newly formed San Marino High School. Mr. Robert Palmer, a recent arrival from New York State, took the position of track coach for the second semester.

Mr. George C. Jordan has taken the place of Mr. Bernard Warner who is now teaching at LACC, and is capably assisting and teaching the students as a counselor and U. S. history teacher. Mr. Burthell Pauley, successor to Mr. Harry Gaul, is helping the students to beware of the hazards of the road in Drivers' Education and is also teaching the new state required subject of California government. Mr. Joseph Oeltman has ably replaced Mr. Irving Hicks as machine shop instructor. (Continued on page 101.)

COMMISSIONERS

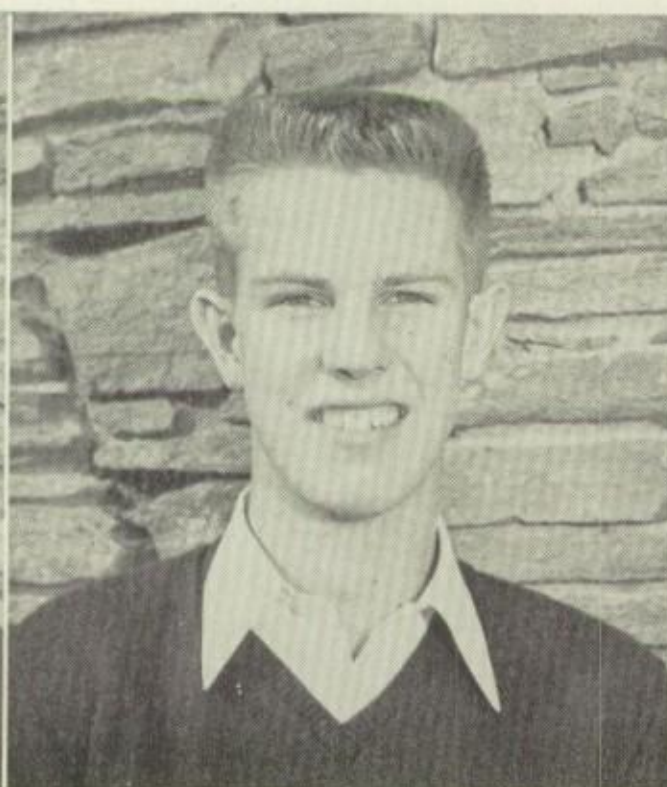

An organization cannot be successful without strong leadership. South Pasadena was fortunate to have a commission for 1952-53 which provided that kind of outstanding leadership.

As a group the commission sponsored the "Queen's Knight" dance honoring the football queen and her court on October 18, and in February the All-League dance at the Glendale Civic. To augment the ASB fund, they arranged for a concert on April 17 featuring the Banjo Kings. In the spring, the nine officers counted ballots for commission elections.

Commissioner-general Hal Bahls presided over assemblies and commission meetings with poise and authority; Com-

THE COMMISSION. FIRST ROW: Ron Wheatcroft, Barbara Cobb, Gretchen Scholtz, Sarah Ballard, Timmie Getchell. SECOND ROW: Paul Colwell, George Tuerk, Ralph Colwell, Richie White, Kenny Keck, Ronnie Clyde, Dr. Erickson. THIRD ROW: Alan McQueen, Hal Bahls, Dan Stringer, and Jack Erickson.

So long, the best of every, a real nice gal, have a wonderful year and I hope to see you again Sarah Ballard

missioners of Finance and Activities Mike Marshall and Sarah Ballard carried the ASB sales to over 92 per cent, and Sarah arranged for a year of highly enjoyed assemblies. As commissioner of correspondence, Barbara Cobb recorded meeting minutes and took charge of ballots in the ASB elections, and Commissioner of Publicity Gretchen Scholtz supplied outside papers with stories of Espee activities. Paul Colwell, com-

missioner of interior, waged a successful campaign for a clean campus, and Commissioner of Athletics Dan Stringer conscientiously reported sports events to the student body. Both Leagues enjoyed successful years under Timmie Getchell and Ritchie White.

A salute and a tip of Timothy Tiger's hat to the commission for 1952-53!

GIRLS' LEAGUE OFFICERS. SITTING: Kate Riemer, Timmie Getchell, Shirley Schuhmacher, Marilyn Ford. STANDING: Miss Harriet Hardy, adviser.

The South Pasadena Girls' League enjoyed a most successful year under the direction of Timmie Getchell, president, and Miss Harriet Hardy, girls' counselor and Girls' League adviser.

First of the many activities was the new girls' party arranged by Char Madsen. Then came the annual Girls' League Dance called, this year, the Tehachapi Twirl. Other events included the class teas, led by the class representatives-Barbi Nay, Jere Patten, Lorna Kiech and Joan Ukropina. February 14 saw the

presenting of Valentines and cookies to the faculty. Louanne Moloney and Cynthia Peterson, heading the senior career and junior-sophomore career committees, respectively, planned career day which proved a success. May Day followed with all the girls going out of uniform and sponsoring the League's booth. Ending the year was the Girls' League picnic.

Officers for the year were Shirley Schuhmacher, vice-president; Kate Riemer, secretary; Marilyn Floyd, treasurer.

GIRLS' LEAGUE CABINET. FIRST ROW: Trotman, Madsen, Blennerhasset, Leuenberger, Moore, Davis. SECOND ROW: Floyd, Smith, Mardigian, Getchell, Moloney, Riemer, Nay. THIRD ROW: Ukropina, Kiech, Schuhmacher, Peterson, J. Patten, Taylor.

BOYS' LEAGUE

BOYS' LEAGUE OFFICERS. SITTING: Bill Chapman, Richie White, Boyd Biggar, Phil Bell. STANDING: Mr. James Carpenter, adviser.

RICHIE WHITE
Commissioner of Boys

*Never forget the party
"on the hill." Best of
everything in your re-
maining hi-school days.
Richie*

Doing a fine job as president of the Boys' League this year was Richie White. Serving under him were Bill Chapman, vice prexy; Phil Bell, secretary; and Boyd Biggar, treasurer.

At the beginning of the year the boys joined various committees which met once a semester to further interest in different activities. Also programs were planned for all the boys once a month. An early program was the faculty vs. League volleyball game, won overwhelmingly by the boys.

The Boys' League jointly sponsored the annual Ice Breaker,

first dance of the year, with the Girls' League. Just before Christmas vacation a dance was again given by the League, featuring the band of Eddie Jackson.

New this year was the formation of big brothers, corresponding to the big sisters of the Girls' League. Richie chose Ralph Colwell, representing the sophomores, and Dave Erickson of the junior class to help him. It was the job of these lads to help new boys from out of town or those arriving late in the semester to become acquainted with the school.

BOYS' LEAGUE CABINET. FIRST ROW: Clyde, Bell, Hyland, Weaver, Mott. SECOND ROW: Tuerk, McQueen, Bahls, Fox, Chapman, White. THIRD ROW: Mr. Carpenter, George, Ukropina, Colwell, Erickson.

IN CLASS

In January the entire student body was able to watch the inauguration of President Eisenhower on television sets loaned by local merchants.

Typifying the courses offered to seniors in English is this class conducted by Miss Margaret Lauer which is working on a grammar assignment.

Several boats, including two rowboats, a hydroplane, and a runabout, were built by members of the woodshop class during the past school year.

One of the many experiments performed during the year by Mr. Bookhout's chemistry students was the testing of the colors of various metals.

Mr. Huntington supervises one of his classes of seniors who are engaged in the study of California government, a subject now required for graduation.

Best of
luck and I hope you

WELDON FAIR PLAY AWARD WINNERS

These six students were chosen on the basis of courtesy, responsibility, independence, good sportsmanship, and democratic leadership for the Weldon Fair Play Award. They were selected by a committee of twelve students and thirteen faculty members who made the final selection based upon suggestions from the student body. Mr. W. H. R.

Weldon set up this award in 1929 for six graduating seniors—three boys and three girls. Each winner receives a Fair Play Leader gold pin and a certification in addition to having his name engraved on a permanent cup which is kept at school.

The following are the recipients for 1953:

DEEDE DUNCKEL, head song leader, member of the CSE and the Pep Association.

BETH LINSENBARD, chairman of the Red Cross Council, song leader, member of the Girls' League cabinet, and the Pep Association.

BARBIE NAY, member of the Girls' League cabinet, secretary of the sophomore class.

BERKE GEORGE, president of the Cimota Club, treasurer of the senior class, member of the campus committee and of Bengals.

ALAN McQUEEN, president of Bengals, Boys' State representative, captain of varsity basketball team, and members of the Boys' League cabinet.

GEORGE TUERK, Boys' State representative, president of the senior class and members of the Boys' League cabinet.

Frank Lammedee as Mr. Gilbreth entertains some of the family.

A bit of friction between Beth Linsenbard and Terry McKelvey.

THE CLASS OF '53

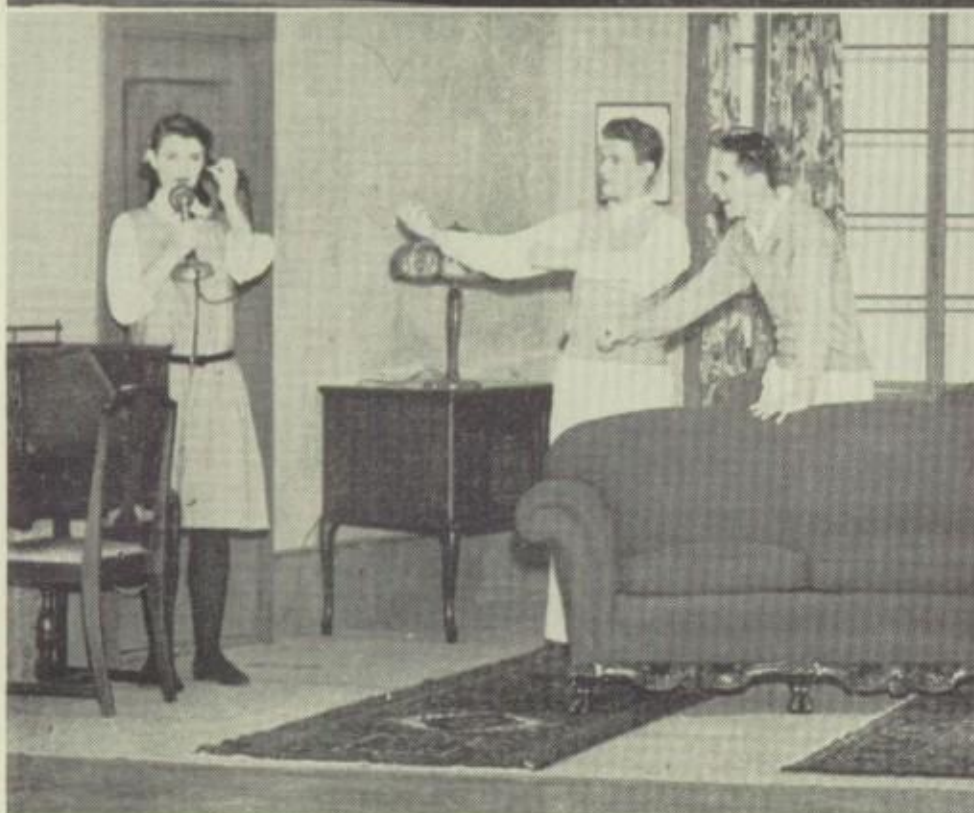

presents

"CHEAPER BY THE DOZEN"

Eloise Taylor has a bit of explaining to do for the family.

A mild interlude comes with the appearance of Kenny Keck.

Other scenes from the play include the revolt of a work-burdened maid, played by Pat Hoffman; the ostracizing of the family's dog from Dad's bed; the helpful assistance of Larry Hughes and Bill Owsley when the boyfriend calls; and the famous Gilbreth family inspection line-up.

C.I.F. FINALISTS

LEAGUE CHAMPS

South Pasadena's varsity football team, headed by Coach Bob Dahlburg and line coach Jim Eacutt, turned out to be one of the greatest teams in the history of Espee. The Tigers won a share of the Foothill League title and also took second place in the CIF playoffs, something a Tiger eleven had never before accomplished.

End Ron Wheatcroft led the Tigers to most of their victories with his sensational pass catching and good work on defense. Wheatcroft, named on the first All-CIF Team, set a school record for number of yards gained in one season, catching 56 passes for 1080 yards and eight touchdowns.

Jim Mercer, an All-CIF third team guard, was another one of the Bengal standouts. He, along with Barry Fisher, who was voted the most valuable player on the team, were Espee's main threats on the line.

The Tigers opened the 1952 Foothill League season by tying top-seeded Hoover High, 6-6. With seven minutes left in the tilt, the Tigers went 67 yards in 13 plays with Neil Fox quarterbacking the ball over for a touchdown.

Skip Thompson, playing for the first time in the backfield, scored the lone Bengal tally as Espee whipped Glendale, 6-0. The Tiger's sensational line held the Glendale team to five yards net running and passing all night long. It was the greatest defensive job ever to be seen at So. Pas.

Bill Chapman and Skip Thompson paved the way for the Tigers' win over Burbank; and three touchdowns by halfback Don Tompkins led the Bengals to a 35-12 land-slide victory over a hapless Burroughs eleven in the Tigers' fourth league match.

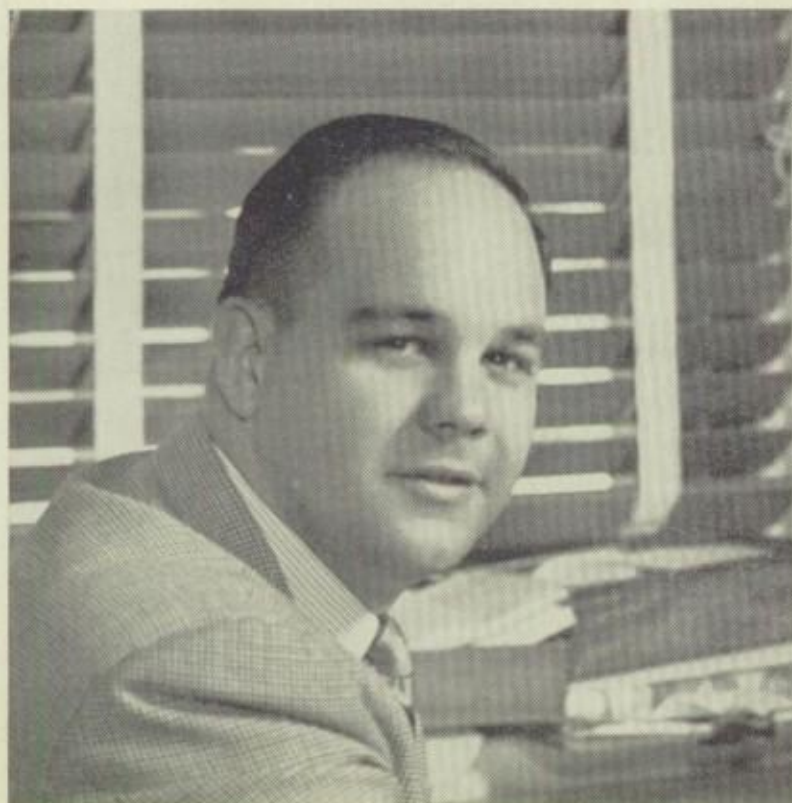

The final league game was just the same as Espee rolled over the Muir Colts to the tune of 34-12.

Luck seemed to be with the Tigers as they won the flip of the coin and the right to represent the league in the CIF playoffs. The Bengals upset undefeated Compton, 25-14; and for the first time in the history of the school, the Orange and Black moved into the CIF Finals by defeating La Jolla, 13-6.

The Tigers ended their great season in the Coliseum where they were beaten by a great Santa Monica team, 34-6. This glorious season will be remembered for many years.

BEE FOOTBALL

Completing their football schedule with a record of one win and seven losses were the South Pasadena Bees, led by the coaching of Chuck Hannah. Although the season's results proved disappointing, there were few players on this year's squad with past experience. The fact that the Tigerkits had shown a marked improvement, however, towards the end of the season was definitely in their favor.

The team suffered shut-outs in their first two practice games at the hands of Mark Keppel and El Monte, but in the Fullerton game, the Bees proved they could score. The Tiger offensive team played well in this game along with John Fopiano, who ran over two touchdowns. But it wasn't enough as the Papooses edged out a 19-12 victory.

Blanked for the third time were the Tiger Cubs who had their first league defeat tossed at them by Glendale Hoover. Glendale and Burbank also dished out defeats

to the Beesters in the following league games. Up to this point, however, several Bees had sparkled. Among these were Ty Polich, Jim Frazier, Ralph Colwell, Paul Devore, and Art Danforth who were destined to lead their team on to its first victory.

Coach Hannah could well be proud of his boys in the following game, for it proved to be a victory in which the kittens seemed to be able to score at will. Highlighted by a great pass offense, the South Pas Bee team showed that it had great possibilities as it romped over Burroughs to the tune of 27-6.

Finishing up the season with a 22-0 setback at the hands of John Muir, the Beesters lack what it took to defeat the versatility and speed of the Colts.

Although the 1952 Bee Season was a letdown to everyone, the team is able to have high hopes for a championship next year, as there will be several returning lettermen.

VARSITY BASKETBALL

LEAGUE CHAMPS

Winning the Foothill League Championship for the third straight year was the 1953 Varsity Basketball team coached by C. Merrill Green. It was the second time in the history of Espee that a Tiger cage team had taken three straight; the last time was back in 1946-48.

Ronnie Wheatcroft was one of the leaders on the floor with his sensational all around play. He averaged 13.6 points per game and was named to the first All-Foothill League five.

Also named to the first all-league team was Alan McQueen, a high scoring Bengal guard and the captain of this year's team. Berke George, a Tiger forward, nailed down a spot on the honorable mention team with his outstanding play.

After a poor practice season record in which the Greenmen were able to win only three games, the Tigers came back flying for the league opener. The team ended the league season with a record of seven wins in ten starts and a co-championship with Muir.

The Bengals nipped Hoover, 31-26 in their first encounter, only to lose to Glendale, 44-41, in game number two.

On rolled the Tigers after this to four straight victories over Burbank, 61-45; Burroughs, 55-52; Muir, 52-46; and Hoover, 63-48.

Chances for a title, however, looked slim after the Tigers were beaten by Glendale for the second time.

The next game was a victory over Burbank, 70-50. Ron Wheatcroft set a new school scoring record in this game by tossing in 34 points, to break Sam Morley's record of 32 set in 1949.

The Tigers nipped Burroughs, 57-55, in their ninth league tilt, but were upset by Muir at Pasadena, 61-55, to give both teams a co-Foothill League Championship.

Espee then went into the CIF Playoffs where they were turned back by a strong team from Redondo to the tune of 50-45.

Coach C. Merrill Green and captain of this year's championship team, Al McQueen. TEAM. KNEELING: Prince, Gentry, McQueen, Wheatcroft, George. STANDING: Hemphill, J. Thomas, Marshall, Gould, Skaer, Colwell, Tuerk, Mercer, McManigal, McCloskey, J. Wilson.

BEE HOOPSTERS

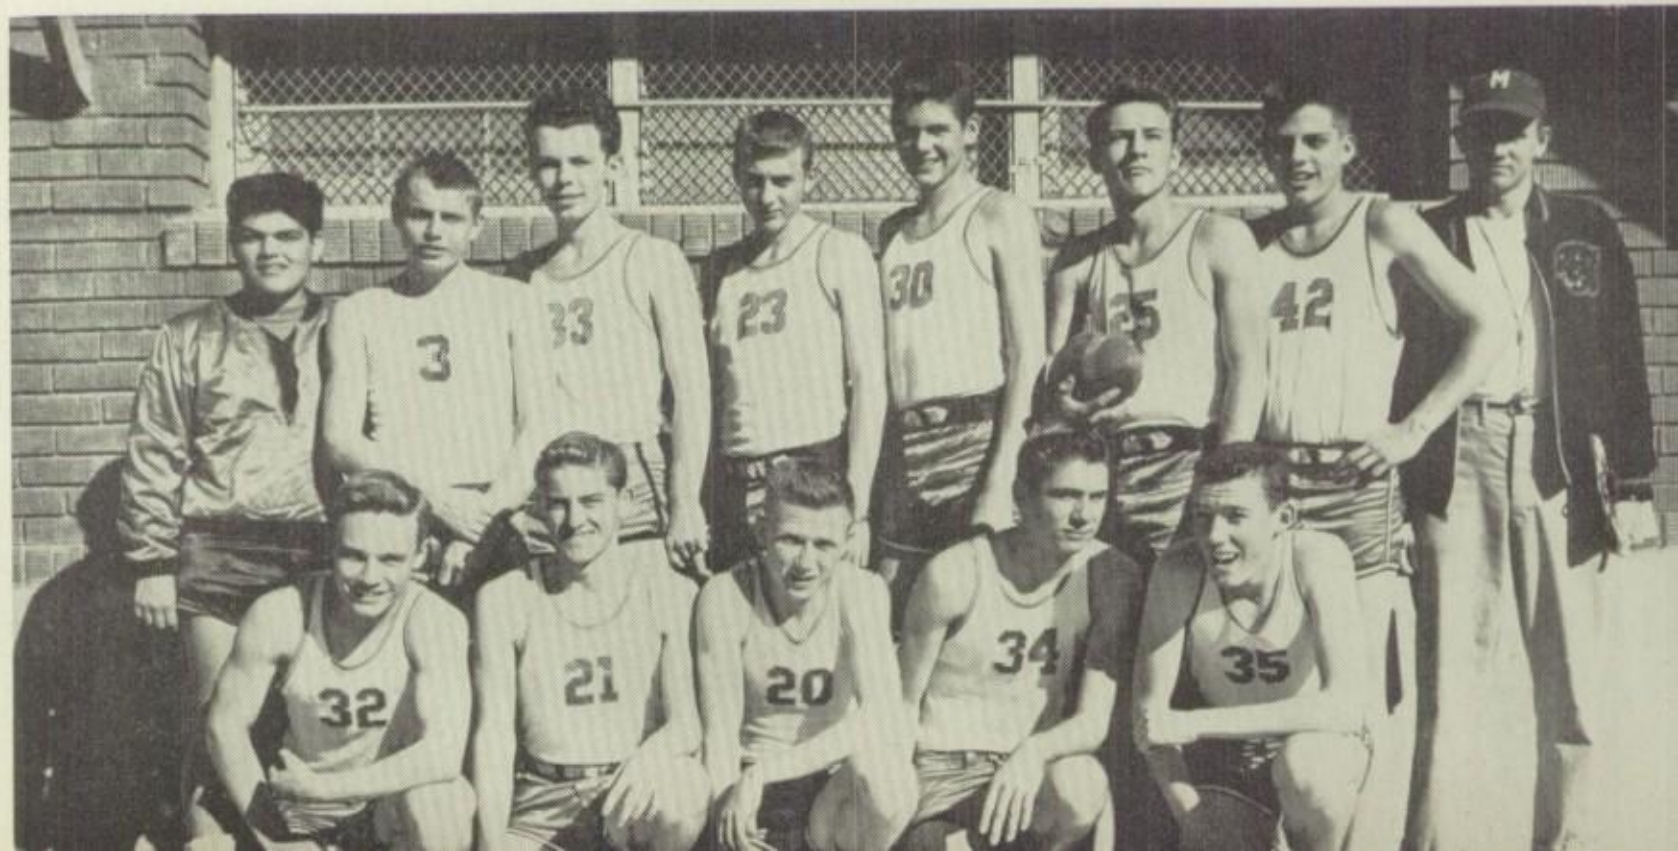

After a very slow practice season in which they won only three games, the Bee hoopsters, assisted by Coach Chuck Hannah in his first year as mentor, improved spectacularly in the league season and finally wound up third in the final Foothill League standings with an even 5 won—5 lost record.

Their wins were over Glendale, 46-42; Muir, 36-30; Glendale, 48-37; Burroughs, 47-46; and Muir, 43-37; while the losses were to Hoover, 31-40; Burbank, 42-47; Burroughs, 39-57; Hoover, 48-47, and Burbank, 41-54.

John Cranston, who, at forward, scored 123 points in ten league games paced the squad in scoring and was named to the all-league team at the end of the season.

Others who earned their letters were seniors Ronny Clyde and Phil Scott; juniors Hubert Vanasek and John Fopiano; and sophomores Mickey Smith, Randy Parker, Ed Stoney, and Joe Enzminger. These juniors and sophs will do a large part in forming next year's Varsity and Bee Squads.

Finishing up their season with a record of five wins, eight losses, and one tie was Coach Palmer's J.V. Baseball team. Rosemead and Montebello proved to be too strong for the Tigers as each team took both of their practice tilts with the Palermen. The third practice game, however, proved to be a win over El Monte. It was a 2-2 tie in the sixth game when Notre Dame and the S.P. horsehidiers split games with both Mark Keppel and Monrovia.

In league play, the J.V. baseballers racked up a record of two wins in their first two games with Glendale and Burbank of 4-3 and 5-4 respectively, and two losses suffered

at the hands of Burroughs and Muir.

Captains of this year's team, Al McQueen and Paul Devore, along with Bryan Hemp-hill sparked the squad in several situations. McQueen was the squad's pitcher and Devore proved to be invaluable as a shortstop and a good lead off hitter. Al Tibbetts filled in well as catcher after Wagner suffered an injured foot.

Juniors who picked up experience and showed considerable improvement all season long included Paul Devore, Sam Flora, Bill Diehl, Don Loftus, Jack Seal, and Mike Wagner.

VARSITY TRACK

Although it did not do as well as last year's squad in the league standings, Coach James Eacutt's track squad came up with some fine individual performances, but lacked the width to obtain enough points to win meets.

Out of eight meets, the Varsity dropped six, suffering heavily to Pasadena, Citrus, Glendale, Burroughs, and Hoover. They defeated Loyola and Muir, and lost a close one to Burbank.

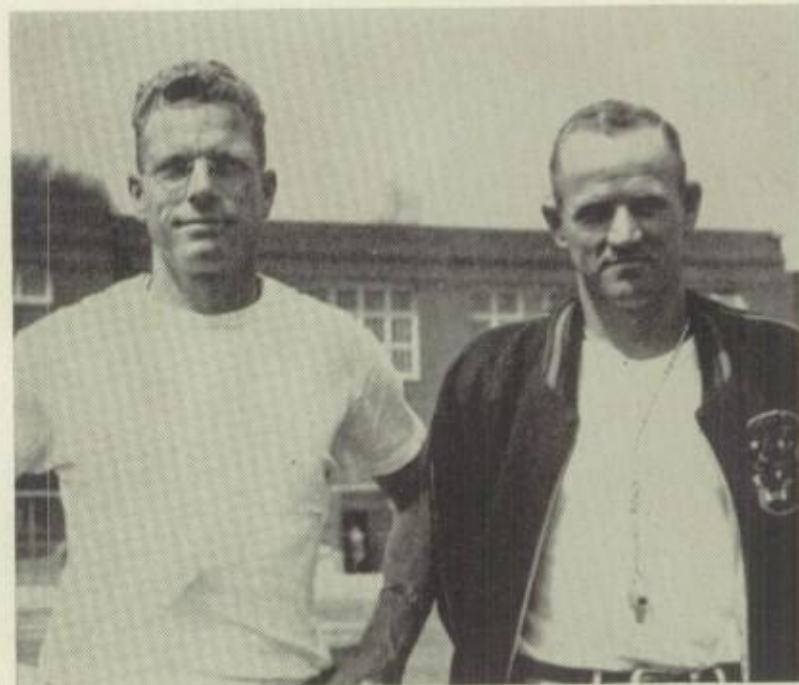

The most outstanding Varsity performances were turned in by Dick Skaer, high-jumper, and Ronnie Currie in the shot-put. Dick's 6'2" leap in the Burroughs meet broke Keith Harnish's '43 record by one and one half inches, and brought in a tie for first in the league finals at six feet even. Ronnie won the league shot championship with a put of 49 feet.

Besides these two, other Varsity men who qualified for the CIF meets were Stan Caron in the 880, and Miler, Bob Swink.

Other outstanding performers for the A's were Richie White and Ron Phillips in the shot-put, King Kirk and Ron Wheatcroft in the high-jump, Brad Bishop in the hurdles, Don Tompkins, Jim Vandervort and John Matthews in the sprints, and Lindsay MacDonnell in the 880.

The Bee squad, expected to do better over the season than the Varsity, swept to five wins in their eight meets. The fast relay team of Dave Hyland, John Lillie, Gordon Bissett, and Billy DuCette broke a 13-yr. old 660 record with a 1:09.4 mark. The old mark of 1:09.5 was set in 1939. Two others, Ty Polich in the shot, and broad-jumper John Fopiano, who set a new school record of $21\frac{5}{8}$, also qualified for CIF competition.

The Cee squad had only six meets, winning one and losing the rest. Jerry Wilson, an outstanding performer in most events, led the squad with points. Steve Scholtz and Bobby Michael were also outstanding.

Leaders of the 1953 track squad: Coaches Jim Eacutt and Chuck Hannah.

VARSITY TENNIS. FRONT ROW: Barry, Wilson, Cranston, Sobieski, Couch, Cotton. 2ND ROW: Robinson, Hawke, Andrews, Parker, Grant, Swart. RIGHT: Coach Swart and Captain of the '53 Varsity, Jim Sobieski.

The same old story was repeated once again this year as Coach Harry Swart led his 1953 Varsity Tennis Team to another league championship and into the CIF Playoffs. The results of the playoffs were not known at the time of this writing, but the Tiger's old formidable foe, Beverly Hills was not included due to a league defeat by Santa Monica.

Losing only two practice matches this year and making a

clean sweep of their league opponents, the Tiger netmen came through with the successful season that has been so characteristic of all So. Pas tennis squads in the past.

Filling the first singles spot on this year's team was John Cranston through a defeat of Greg Grant, who had dominated in early practice. Following Cranston in second, third, and fourth singles respectively were Jim Wilson, Harold Couch, and Jim Sobieski.

JUNIOR VARSITY. FRONT ROW: Von Kleinschmid, Morrison, Conser, Lott, Amos. 2ND ROW: Cotton, Scofield, Allison, Brooks, and Coach Swart.

Greg Grant and John Parker played first doubles for the Swartmen. These six men, excluding Jim Sobieski, who is a senior, will undoubtedly be the nucleus of a promising squad next year. On down the ladder were four members of the team who proved to be practically even all season long by consistently beating one another. These four, who played second doubles as well as fourth and fifth single were: Temp Berdan, Hayward Hawke, Bob Andrews, and Jim Barry. Herb

Robinson also earned his letter and Ed Cotton acted as manager.

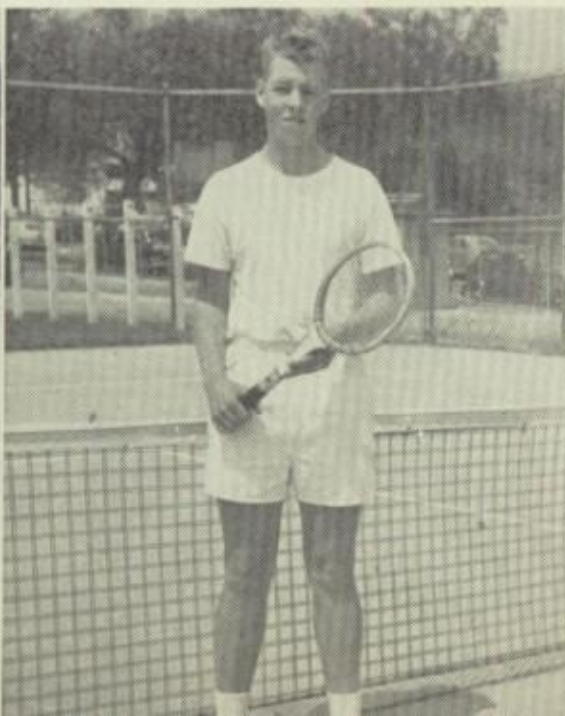

A few of the outstanding teams that fell victim to the Tiger powerhouse included—the Occidental Varsity, USC Frosh, Whittier, and Monrovia. Santa Monica and Santa Barbara handed the Tigers their only defeats.

Although the Tiger Junior Varsity was not on a par with last year's team, they were beaten only once and were one of the best in Southern California.

GIRLS' SPORTS

Kathy Amadooni and Timmie Getchell jumping for a tie ball during a game of basketball played on a December day.

The girls in gym have been led through a very active program this year under the direction of Miss Vivian Atherton and Miss Helen Graffen.

The year opened in September with volleyball. As in every sport participated in at South Pas, instructions on the rules of the game and some time for actual play were given before the team captains were elected. With the election of the team captains by members of the class, actual games began. Toward the end of each season, members of the newly formed G.A.A. from each period join together and form a team which plays G.A.A. teams from other periods after school. A group of the G.A.A. played against the faculty volleyball team in their annual game in the fall. The girls pulled ahead of the faculty to win 37-26.

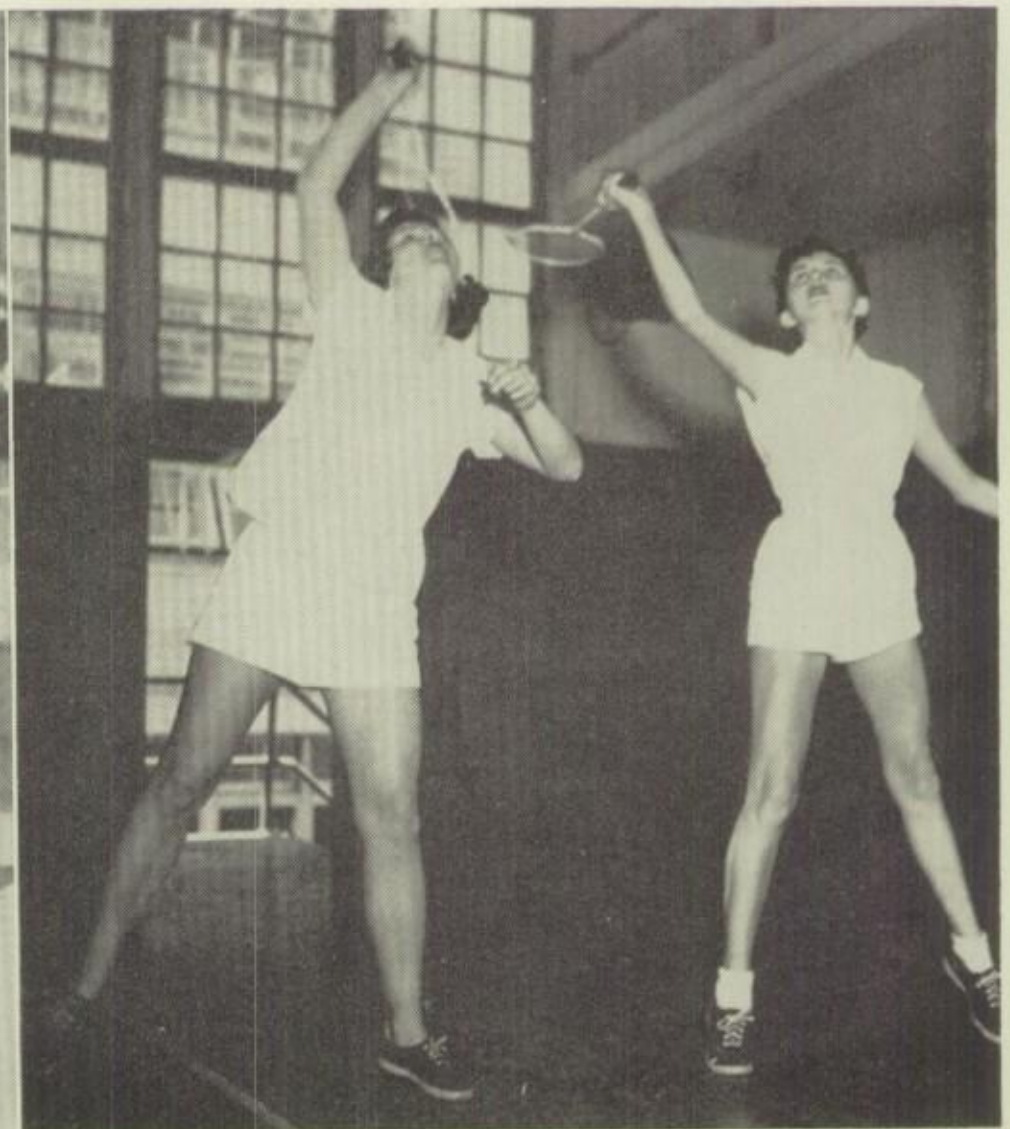

The next sport was hockey which began in November. This was followed by basketball at the first of the year. A new sport, speedaway, was then played. It is a combination of speedball, basketball, and football. It met with tremendous success. At the close of the year the girls played baseball.

Throughout the year, play days were held with the junior high and other neighboring schools.

Badminton and tennis were also featured along with the other sports. A badminton tournament was organized in the spring.

Mary Jacoby and Shirley Kiner practicing their tennis during the winter months.

Annette Weis and Ann Margan are demonstrating their skill in badminton during fifth period gym.

FACULTY--Continued

Mr. Donald Sandlin, commercial teacher, has taken over for Mr. Guy Wood. Mr. Wood retired after teaching here for thirty years. Through Mr. Wood's guidance the student store, the commercial department, and the student bank became parts of every student's school life.

Mr. Gerald Rollins, who taught Spanish and English last year, has taken over as French teacher, filling the position vacated after twelve years by Mrs. Owen Pettit, who, before her retirement, served as head of the language department.

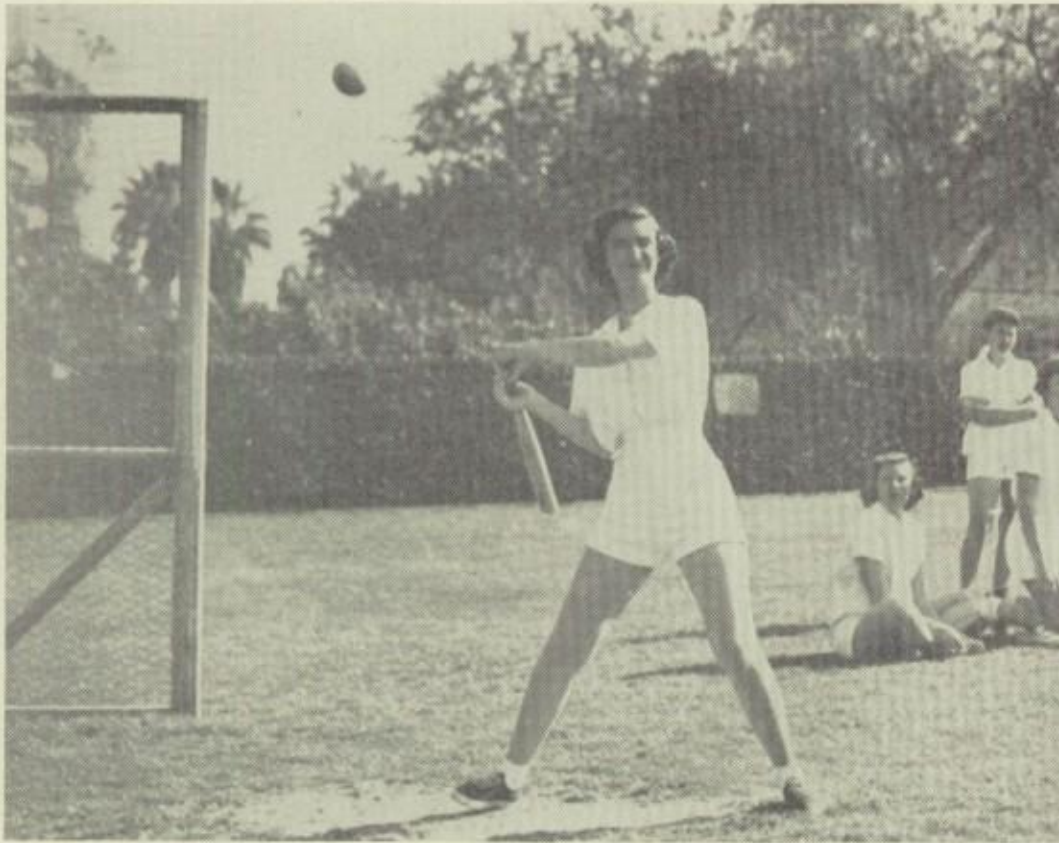

The officers for the faculty club of 1952-53 are Miss Ruth Richardson, president; Mr. E. H. Crook, vice-president; Miss Minnie Ruth Dexter, secretary; and Mr. J. Douglas Bookhout, treasurer.

In December the faculty had their annual Christmas party which was held this year at the home of Mrs. Roma Anderson where Christmas presents were distributed by Mr. Albert Adams, who played his annual role of Santa Claus.

In March a series of dinner parties was held for members of the faculty. The faculty was divided into four groups, and the dinners were held at the homes of Mrs. Roma Anderson, Miss Hester Lauman, Miss Esther Steele, and Mr. Harry Swart.

One of the customary and climaxing events of the year was the Graduation Night Dinner held by the faculty in celebration of the end of the school year.

Through their inspiration and guidance, the faculty has made 1952-53 a most successful year for all of the students.

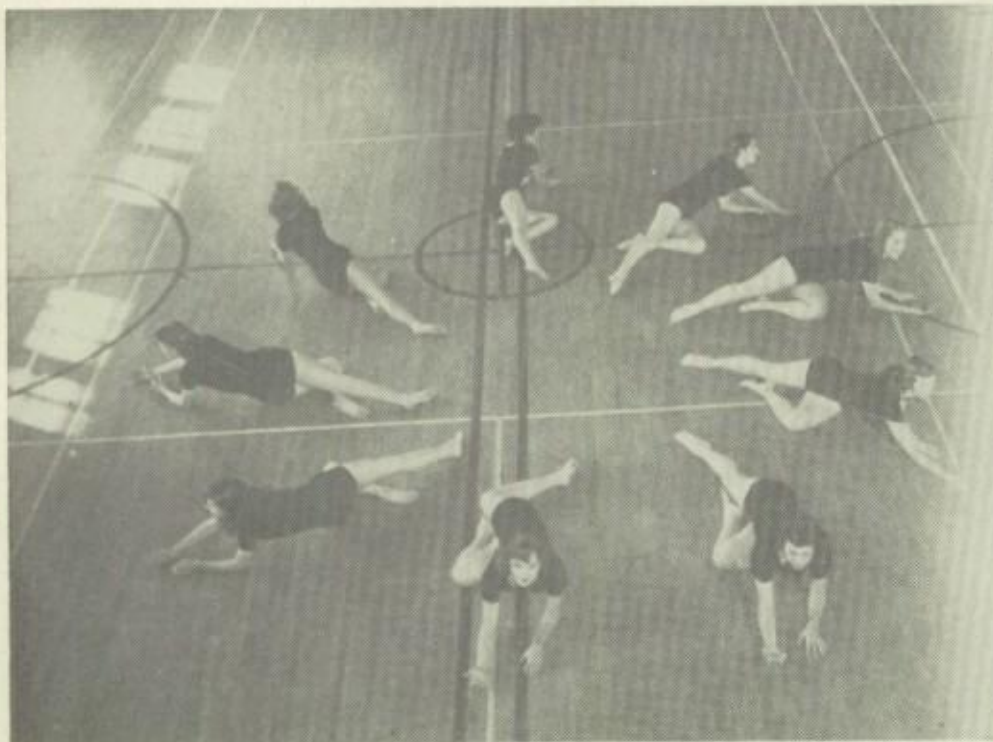

Mary Jane Packwood is letting a high one go by in baseball while some of her teammates look on.

MODERN DANCE

Forming a large circle on the gym floor are, top clockwise, Ocello, Ulmann, Brewton, Andrews, Winfrey, Butterfield, Cross, Andresen, and Ager.

Another artistic pose is formed by Amadooni, Crawford, and Martin with McDonald in front.

Modern dance students, under Mrs. Mary Reynolds, presented two programs for the student body during the school year 1952-53.

Second, third, fifth, and sixth period classes participated in the Christmas assembly. Girls in third period danced in the ancient Hebrew style in a scene representing Bethlehem on the night of Christ's birth. Other classes danced to Christmas carols of France, England, and Germany.

In February an after-school modern dance club was organized, meeting on Monday afternoons. Girls in the club prepared a dance to "Slaughter on Tenth Avenue," which was their contribution to the Spring Music Festival on May 8. They rehearsed Monday, Wednesday, and Sunday afternoons, working out their own movements and the story.

The classes arranged six dances to the Nutcracker

Suite. First period danced to "The Dance of the Sugar Plum Fairies" and to primitive rhythms; second period enacted a Russian dance; third period performed both a Chinese number and an Arabian sequence, the latter choreographed by Eloise Taylor; fifth period chose to dance to "Waltz of the Flowers"; and sixth period prepared a number to "Dance of the Flutes." Mrs. Reynolds said that the movements in the Russian, primitive, Chinese, and Arabian sequences were designed to be as much like the authentic movements as possible.

In addition to the two programs, parents visiting Espee on Open House, April 30, were shown representative demonstrations of modern dancing techniques and selected excerpts from dances given at the festival.

Choreography for dances done simply as classwork was created by the students themselves. Mrs. Reynolds reported that some of the girls even did their own choreography for the spring program.

In a dramatic grouping are McDonald, Crawford, and Whipple standing; Avery and Woodward kneeling; and Amadooni sitting.

Posing gracefully on the floor in long skirts are, left to right, Howard, Andresen, Butterfield, and Brewton.

ACKNOWLEDGMENTS

When the final page of the annual had at last gone to press, we, as the editors of the COPA DE ORO of 1953 thought of the many people who had generously given their time to make our COPA "The best ever."

Our white and gold padded cover was the result of the expressed desires of the student body. The tremendous success of the cover is owed to Mr. J. Henderson of the Henderson Trade Bindery who carried out our wishes beautifully.

Besides designing the cover, Nancy Banta, our art editor, designed the gay division pages with their tiny figures and brightly hued backgrounds. Nancy was assisted by Virginia Westphal and Charlotte Irwin, and all were under the direction of Miss Hester Lauman, who was the guiding light behind this elaborate art work of the COPA. We are most proud of their efforts and wish to give them a special thanks for what we feel is the best art work that has ever appeared in a COPA.

Once again Ernest Brooks of Ernest Brooks Studio did his usual excellent work in photographing all the juniors and seniors. Harold Garb, with the assistance of the cub photographers, was busy every day and even week-ends taking and developing pictures for the annual.

Mr. Ted Hosinski of the Acme Engraving Company devoted a great deal of time to the success of our book. Many a fourth period he came out from Los Angeles to advise us and aid us with our photography.

One of the most important phases of making the annual is the printing which was done this year by Mr. Harry Wood of Wayside Press, Inc., who was most generous in giving us his time and suggestions for the printing of the COPA.

To these people we owe a great deal of gratitude for their help and their outstanding work.

Of course the members of the COPA staff deserve a huge vote of thanks. There were many ups and downs, difficult problems and rough times, but the staff survived every ordeal.

Perhaps the most important person during the entire year was our adviser, Mr. Elmer H. Crook, without his time and effort we would never have been able to put out the annual. In our sometimes exuberant moments he was there to calm us down and, of course, to push us on toward our goal.

Many, many people, both in school and outside, have helped us in every way. We wish to thank each and everyone who has participated in the production of the 1953 COPA DE ORO, for they have all contributed to its success.

Deepest Thanks

CAROLYN FOX and MARY HOSINSKI
